Letter, dated the 4th July 1924, from Mr.M.H.Krishniengar, M.A. Foreign Scholarship holder, Mysore to the Registrar, Mysore University, M y s o r e.

When I was on special duty at Bangalore two years ago, I prepared a draft catalogue of the coins in the Mysore Government Museum, Bangalore, and wrote down notes to help me in writing the historical introduction to the catalogue. These papers will be very useful to me in the course of my research work in Foreign countries, and I can consult scholars personally on all doubtful points if I am allowed to take them with me. They were left by me partly in the Government Museum, Bangalore, and partly with the Registrar of the General and Revenue Secretariat.

May I request you to obtain me permission for taking back the draft catalogue and the notes prepared by me, and for using them in connection with my training and research work in Foreign countries?
